Island Training Solutions, Inc extends training contract with Fortune 100 company

Durham, N.C. - Island Training Solutions, Inc., a Durham, NC based company that provides hands-on training for IBM® Rational® software tools, has signed an agreement to provide training services to a Fortune 100 company through May 2007. Through this agreement Island Training will support personnel in locations in the United States, Spain, Mexico, Puerto Rico, Singapore, United Kingdom and Germany.

Island Training will provide training services to the company for IBM® Rational® developer tools. They will be conducting novel hybrid classes, where the instructor can lead traditional classroom training at an onsite facility while simultaneously teaching remote students in a virtual classroom.

“Island Training has a long-standing history providing customized onsite training services. As a global resource for several Fortune 100 companies it is critical that we accommodate the needs of organizations with locations in a variety of cities and countries. We are very excited about the new hybrid delivery program, which allows us to offer our instructor-led training to office based employees and telecommuters simultaneously,” said Jim Herron, co-founder of Island Training.

About Island Training

Island Training Solutions provides hands-on training for IBM® Rational® software tools. Co-founded in 1999 by a member of the original ClearCase® development team and a technical training professional, Island Training offers a unique approach to teaching complex software products. By combining a modular training strategy with proprietary tools that support on-demand production of course materials and mobile lab setup, Island Training delivers a flexible training strategy that meets the specific needs of each client. More information about Island Training is available at <http://www.islandtraining.com>.
