

# UCM ClearCase® Fundamentals

WINDOWS ■ UCM CLEARCASE 8.0 ■ WEB VIEWS

ID: CC-FUN-WIN-WEB-UCM-8

## Overview

This one-day, hands-on course covers basic UCM ClearCase usage for remote users. For software developers, we recommend this course followed by the one-day *UCM ClearCase Intermediate* course.

## Prerequisites

- Basic knowledge of Windows interfaces
- No previous ClearCase experience

## Objectives

At the end of this course, students will understand ClearCase concepts and will be able to use UCM ClearCase tools and procedures to accomplish basic configuration management tasks.

## Outline

Introduction	Introduction to ClearTeam Explorer
Connect to Server	Connect to ClearCase server
