

IBM® DOORS® Next Generation Reviewer Fundamentals

WEB INTERFACE ■ DNG VERSION 6.0.3

ID: DNG-R-FUN-WEB-603

Overview

This one-day, hands-on class covers the fundamentals of reviewing requirements using DOORS Next Generation (DNG).

Audience

- Business analysts and individuals responsible for reviewing and approving product requirements.

Prerequisites

- Basic knowledge of requirements process and terminology is helpful.

Objectives

At the end of this course, students will be able to use DNG to browse and view requirement artifacts and to take those artifacts through a review process.
